BOOK SYNOPSIS

A Clean Romance Showcasing a Love which Endures a Thousand Years ... Nicole Bessam had finally found him. After long, fruitless years of searching, after countless missteps and mistakes, she had at last reunited with the man she had pledged her heart to. He was right there in front of her. But he didnt remember her face. Commander Jon Paxton was transfixed by the woman before him. Hed had relationships in the past, certainly - women who eased his loneliness. But none had ever called to him the way Nicole did. None had ever fit into his life as neatly as a key fits into its lock. And there seemed to be so much more beneath the surface - but he just couldnt reach it. Nicole had to move as carefully as a cat negotiating a thin ledge high above a desolate abyss. One reckless step, one shift in the wrong direction, and the love they had treasured for a thousand years could be forever lost. Aquarian Awakenings is the first of four novellas in the Collective Saga series. They can be read singly or as a boxed set. They contain no explicit violence nor intimacy. As such, they are suitable for teens and up. All proceeds from the Collective Saga series benefit battered womens shelters.
