BOOK SYNOPSIS

Jack Reacher takes an aimless stroll past a pawn shop in a small Midwestern town. In the window he sees a West Point class ring from 2005. Its tiny. Its a woman cadets graduation present to herself. Why would she give it up? Reachers a West Pointer too, and he knows what she went through to get it. Reacher starts to track the ring back to its owner, step by step, down a criminal trail leading west all the way to the deserted wilds of Wyoming. All he wants is to find the woman. If shes OK, hell walk away. If shes not ... hell stop at nothing. Hes still shaken by the horrors of Make Me, and now The Midnight Line sees him set on a raw and elemental quest for simple justice. Best advice: dont get in his way.
